Reach for a Goal

Reach for a goal, my friend
Until you reach the end
Choose a goal you can love
Work, dream, and pray for it
Let your love grow and grow
If things go wrong don't feel low.
You're learning you're growing
You're beginning to live
Reach for a goal my friend
Until you reach the end
Go out into the world
And find yourself my friend.

GUIDANCE

The Student Council consists of 3 students from each of the four classes. The duty of these students is to represent the class to which they belong. A student council member is expected to make decisions which he thinks will benefit his fellow students. This year the student council held meetings every other week. At these meetings they had discussions on items of interest to the students. The main topics of discussion were the opening of the gym for recreation at noon, a roller-skating party, corridor benches, and trying to obtain permission to hold a school picnic from the school board.

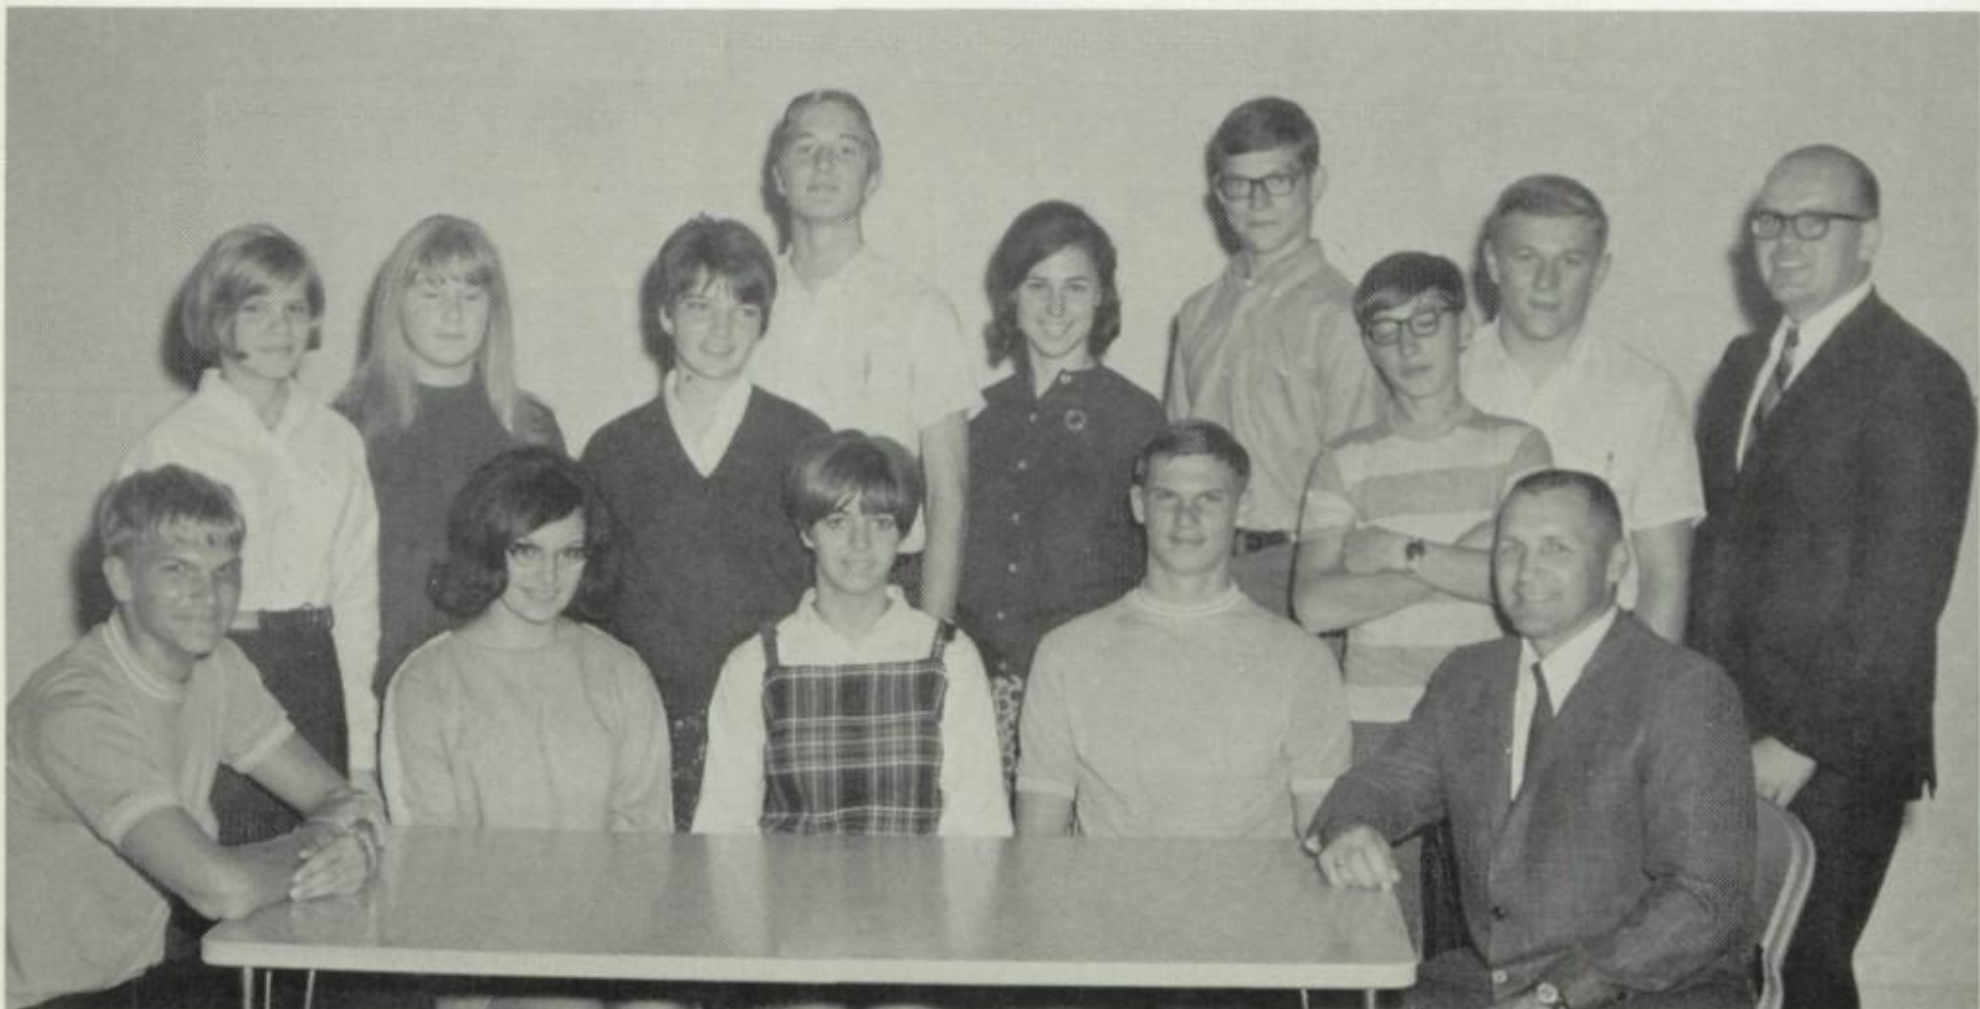

Representing the senior class were Tom Arkens, Kay Bergner, and Judy Eells. From the junior class came Dave Holmes, Don Holmes, and Bonnie Budysz. The sophomores were represented by Julie Rhein, Gary Princl, and Steve Koch. Terry Loberger, Judy Wilfert, and Bob Dvorak were representatives of the freshmen. Mr. Kain acted as our advisor.

The Student Council received student council pins toward the end of the year for their hard work in trying to represent the students and acting as the voice of the student body.

PATRIOTISM

KAY BERGNER

THOMAS ARKENS

The twelve members of Student Council have put into effect the system of raising and lowering the American Flag each school day, when the weather permits.

The flag is located at the front entrance of the high school. The flag waves freely in the breeze from the beginning of the first hour class to the end of the seventh hour class.

The Student Council, representing the students from every class in the school government, feels that the Mishicot students are proud of the American flag and what it stands for. They are grateful to be living in the United States of America, where freedom rings out from coast to coast. They don't look at this duty as a task but as an honor to serve their country.

The flag raisers are Kay Bergner and Tom Arkens, senior members of Student Council.

NATIONAL HONOR SOCIETY

Sitting—C. Scheuer, S. Fleck, K. Basken, Mr. Peters Advisor
Standing—H. Rehbein, S. Skubal, S. Deidrick

Mishicot High School students qualifying for the National Honor Society were Sandi Skubal, Cathy Scheuer, Hazel Rehbein, Shelly Deidrick, Ken Basken, and Steve Fleck. They were chosen because of their high scholastic grade average. All six were given their National Honor Society pin in their junior year and maintained their high average throughout their senior year, thus remaining in the National Honor Society.

Mishicot High School sets high standards for the National Honor Society. It expects students to work very hard for the privilege of being named a member. They must obtain good grades throughout their years in high school. It is indeed an honor to belong to the National Honor Society and Mishicot High School is proud of those who have worked hard to become members.

CLASS HISTORY

As Seniors of the 1969 graduating class of Mishicot High School, we are eagerly looking toward the future and reaching for our goals. Even though we must look ahead, let's not forget all the wonderful memories these past four years have brought us.

Our Freshman class was guided by: Sandi Skubal - President; Shelly Deidrick - Secretary; Vicky Marlow - Treasurer. Mr. Heusterberg, Mr. Bergner, and Mr. Wolfmeyer were our advisors.

Patsy Krajnik, Judy Eells, and Diane Graycarek were chosen as "B" team cheerleaders.

With these fond memories, we left behind our freshman year and began our sophomore year. Our second year saw us with; Steve Fleck - President; Rita Finnel - Vice President; Patsy Krajnik - Secretary; Cathy Scheuer - Treasurer. Student Council members were Kay Bergner, Judy Eells, and Pat Samz.

Diane Graycarek, Patsy Krajnik, Barb Samz, and Judy Eells were chosen "B" team cheerleaders.

"Arsenic and Old Lace", the All-School Play, saw Steve Fleck and Sandra Haag as participants.

Our Homecoming float, "Let's Pull it to Victory", took first place.

One of the highlights during our Sophomore year was our Basketball team. They won the regional title, then went on to defeat Brillion in the Sub-Sectional. From there they advanced to the Sectional Tournament at Green Bay. In the first night of play they lost to Green Bay West Wildcats in a closely fought battle. This destroyed all hope of going to state. Leading sophomore on the squad was Steve Fleck.

As Juniors, Mr. Bergner, Mr. Wolfmeyer, and Mr. Heusterberg as advisors, we returned to M.H.S. Class officers were: Pat Samz - President; Barbara Samz - Vice President; Mary Voelker - Secretary; and Susie Rehbein - Treasurer.

"Sunshine Lollipops", was the theme of our Junior Prom, which was held at Fox Hills. Music was provided by Joe Buffano. King Bob Dvorak and Queen Judy

Eells reigned over the event. Members of the court were: Don Kempen and Rita Finnel; John Loberger and Patsy Krajnik; Steve Fleck and Kay Bergner; Tom Arkens and Barbara Budysz, and Gary Holschbach and Patty Marquardt.

"A" squad cheerleaders were Cathy Scheuer, Patsy Krajnik, and Judy Eells.

Mary Jane Theyerl and Sandi Skubal were chosen as co-editors of the school paper, "The Oriole".

Cathy Scheuer was chosen Badger Girl and Steve Fleck as Badger Boy.

Mike Johaneck, Shelly Deidrick, and Colleen Shebesta were band clinic representatives.

Shelly Deidrick was chosen Band Maïorette in her junior year.

Cathy Scheuer was winner of the Voice of Democracy contest.

As seniors we chose Susie Rehbein - President; Carol Podrabsky - Vice President; Barbara Budysz - Secretary; and Rita Finnel - Treasurer. We were represented on the Student Council by Kay Bergner, Tom Arkens, and Judy Eells.

In the fall of 1968, the football team took second place in the conference. The seniors on the team were: Tom Arkens, Steve Fleck, John Loberger, Jim Schmooch, Bob Dvorak, Gordon Augustine, and Rick Lorenz.

On October 19 homecoming was held. The theme was "Autumn Silhouettes". Our homecoming float placed third. Homecoming royalty consisted of King Tom Arkens and Queen Julie Samz. Members of the court were Steve Fleck, Bob Dvorak and Judy Eells and John Loberger.

Cathy Scheuer was chosen as the "Betty Crocker Homemaker of Tomorrow".

Shelly Deidrick and Diane Graycarek began work as co-editors of the Arrow.

Chosen as "A" team cheerleaders were Judy Eells, Patsy Krajnik, Cathy Scheuer, and Mary Jane Theyerl.

Cathy Scheuer won the State DAR Award in 1969.

SENIOR

This years fifty-eight member Concert Band has had the opportunity to establish several "firsts" for the Mishicot music department. Beginning in the fall of the year they had the honor to lead the Homecoming Parade celebrating the Fiftieth Anniversary of our school. The band represented the school very well as a Pep Band for a Green Bay Bobcat hockey game on January 26. A completely instrumental Concert, "Moods of Music 69", was presented for the first time on February 20. This is the first Mishicot band to attempt Class A in Tournament, which is being held May 10 at Southern Door High School. It

BAND

is also the first band to be recorded. A record containing selections of the Spring and Pop Concerts are going to be sold by the band members after the Spring Concert. Forty-four members of the band participated in forty-two different events at the Solo-Ensemble Tournament at Southern Door High School on April 12. This combined with a Christmas Concert, numerous parades, Stage Band performances at a PTA and Lions club meeting, pep band for basketball and football games, and pep rallies added up to a very event-filled and rewarding year for the organization.

The fifth annual Girls' Athletic Association was organized in September 1968. Officers elected for the 1968-69 school year were as follows: Patsy Krajnik - President, Suzy Stueck, Vice-President, Bonnie Budysz - Secretary, Judy Eells - Treasurer. Advisor of this club was Miss Marilyn Roth, the girls physical education instructor.

The objectives of the association are (1) to develop a wholesome and diversified program of games and sports to provide active opportunities for many girls rather than for a small select group, (2) to develop student-conducted activities, thus encouraging leadership, (3) to encourage and promote the development of desirable health practices, attitudes, and to promote physical fitness; (4) to promote and maintain the highest standards of high school life, and (5) to foster a spirit of good sportsmanship and to have fun.

A girl may receive a major letter if she earns 2,000 points or over in a four year period. For every 500 extra points beyond the requirement for a major letter, a gold G.A.A. pin is awarded. Points are awarded for

each sport a girl is active in. Some of the sports in G.A.A. are: bowling, basketball, volleyball, and softball. To remain an active member in G.A.A., a girl must maintain a total of 200 points per year. This 200 points also makes her eligible to attend the G.A.A. banquet at the end of the year. Extra points are obtained by being an officer, sportshead, and officiating games. Points may also be earned by doing such things as horseback riding, skiing, swimming, hiking, and bowling.

Two girls were elected as sportshead to organize each sport. They are:

BOWLING — Debbie LaRose and Kay Bergner

BASKETBALL — Cathy Scheuer and Cindy Kornely

VOLLEYBALL — Susie Rehbein and Carol Podrabsky

BADMINTON — Mary Voelker and Linda Cisler

SOFTBALL — Mary Jane Theyerl and Diane Graycarek

HOCKEY — Patsy Augustine and Julie Samz

Captains are elected and teams are chosen. All sports are played after school. It is a wonderful organization for any girl who is interested in fun and sports.

The Athletic Service Club is an organization limited to Junior and Senior girls who wish to work for all home sports activities. Any Junior or Senior who wishes to join this club may. They work for such sports activities as football, basketball, and wrestling. While doing this they also get passes for free admission to all sports activities. These girls work in pairs and are usually attired in black and white with an orange vest. Some of the duties of the Athletic Service Club at these

sports events are to sell tickets, take tickets, and usher. Girls who work for the Athletic Service Club usually work twice for each sports event. Girls do not work through the entire event. They work until intermission and after intermission there is no charge. All the girls are given a schedule of the time and dates they are required to work and the sports event they are to work for. Every girl enjoys working for the Athletic Service Club. Their advisor is Mr. Kain.

ALL SCHOOL PLAY

THE DIARY OF ANNE FRANK

Characters:

MR. FRANK	Dean Schneider
MIEP	Nancy Kochrosky
MRS. VAN DAAN	Cathy Scheuer
MR. VAN DAAN	Richard (Dick) Dvorak
PETER VAN DAAN	Richard Siehr
MRS. FRANK	Barbara Koch
MARGOT FRANK	Linda Cisler
ANNE FRANK	Jackie Doolan
MR. KRALER	Dave Gerish
MR. DUSSEL	Don Holmes

This play takes place during World War II and immediately afterward.

The play begins when Mr. Frank and Miep have found Anne's diary. Mr. Frank begins to read. We then hear Anne's voice joining in with Mr. Frank's.

There is a flashback and we see the two families that are going to live in the attic above the factory. The families are Jews that are hiding from the Nazis during World War II. The Franks and Van Daans are later joined by Mr. Dussel who is also hiding from the Nazis.

Miep and Mr. Kraller bring news and necessities to the families.

At times there is great pressure on the emotions of the families.

The audience gets to meet Anne and watch her grow up.

Near the end of the play when their hiding place is found, we see a mature woman ready to meet the hardships beyond.

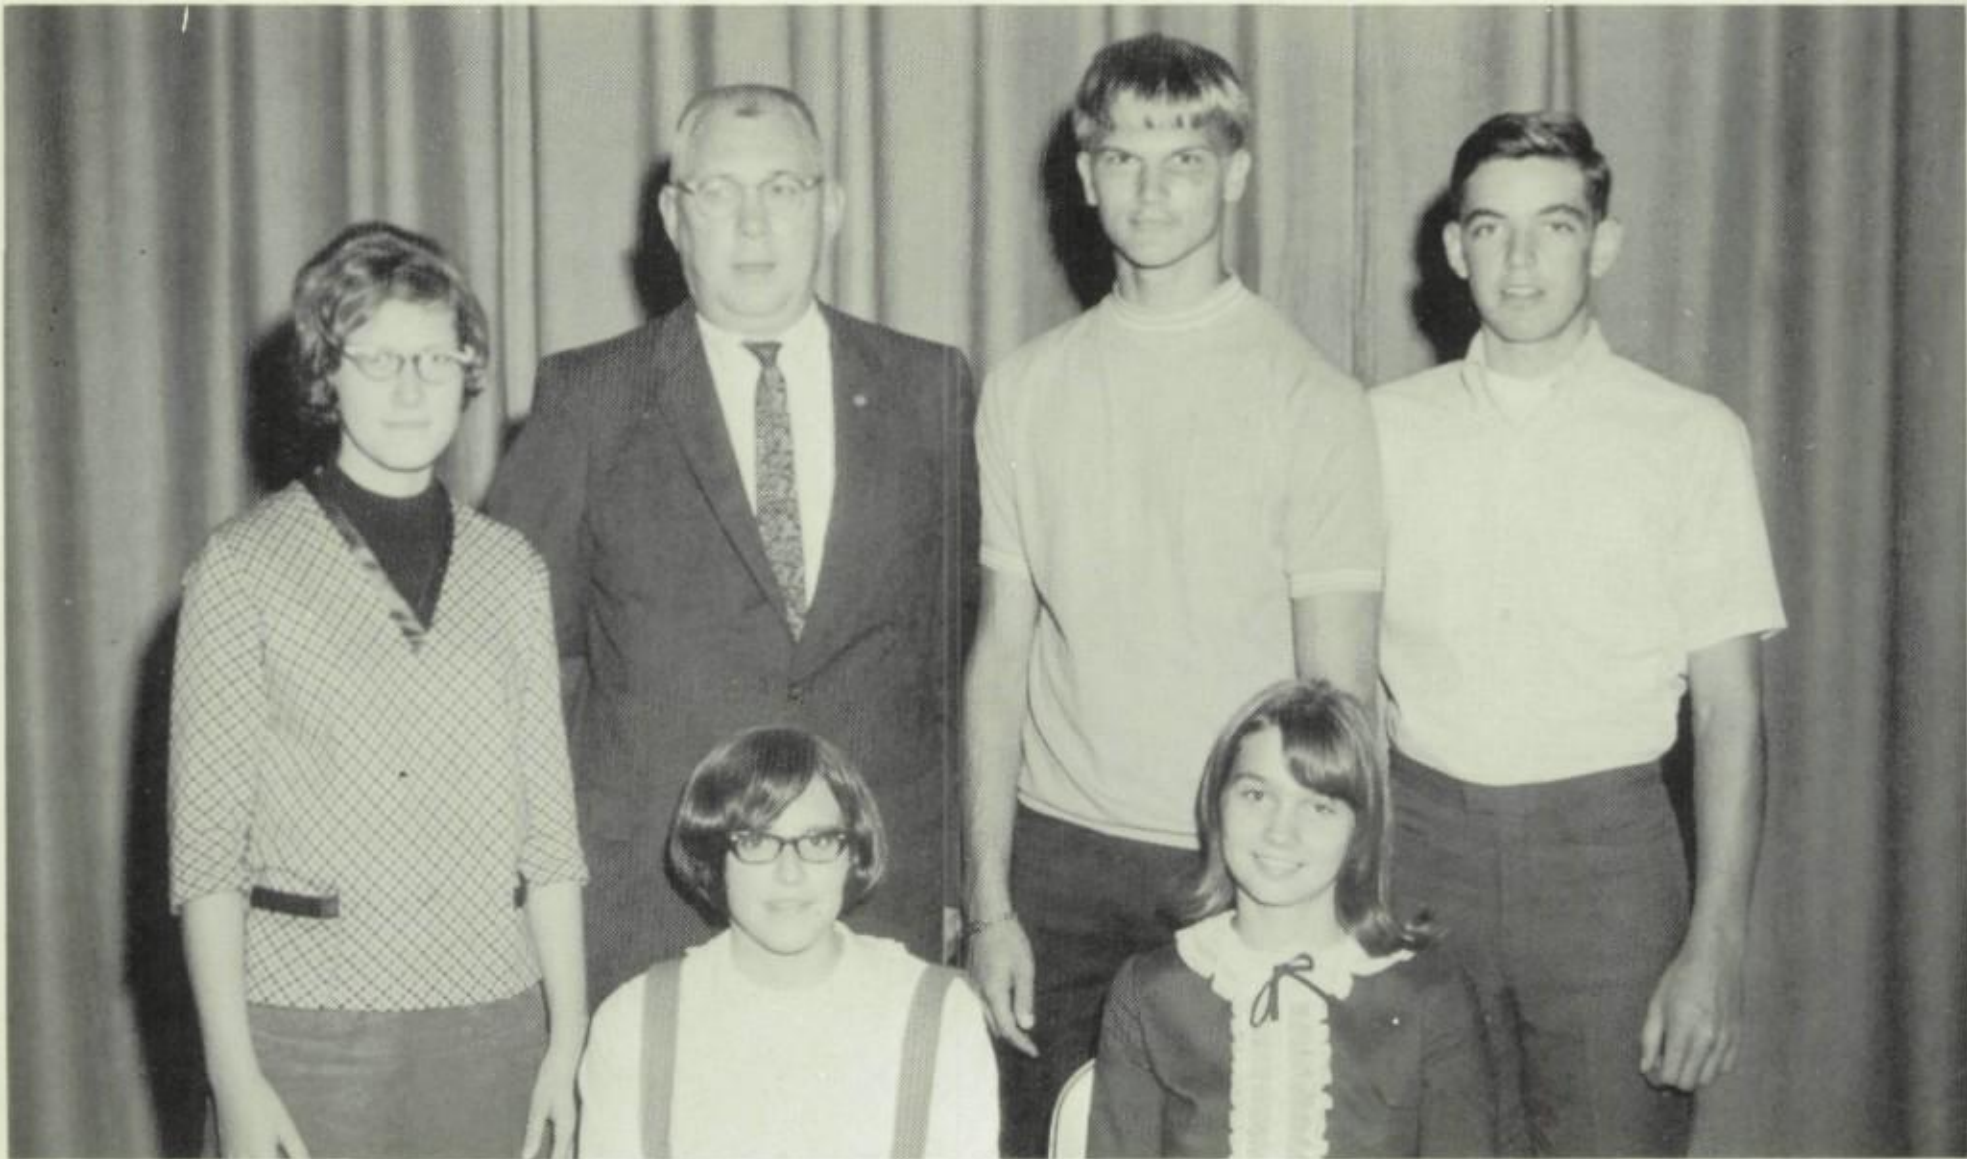

Immediately we go back to the first scene and find out that everyone has died in the concentration camps except Mr. Frank, Miep and Mr. Kraller. We also know that Anne was very brave until the end and that she believed that all people are good at heart.

ONE ACT PLAY

The one act play for this year was entitled, "This Way to Heaven." The contestants presented the play at Gibraltar where they received a "C" rating. The actors were Sandra Haag as Gram Wilson, Linda Cisler as her granddaughter, June; Brian Wagner as Charley Baker, and Don Holmes as Mr. Flannigan.

Mr. Flannigan wants to rent a room in the home of Gram Wilson, vacated by June when she leaves for her honeymoon with Charley. With flattery and an un-earthly magnetism, he is finally accepted into the family. From an unseen power from above, (which is also really Margie Miske playing the flute) he is edged onto complete his mission—to do away with the old lady. He finally confesses to Gram that he is from heaven. However, it turns out that it was really never his duty to kill Gram, so he leaves her happily contemplating the day when she will see him again.

Quill and Scroll is the International Honorary Society for High School Journalists. Those students chosen have demonstrated fully to the satisfaction of their advisor and the board of publications that they merit the award through high scholarship, journalistic achievement and dedication.

Quill and Scroll was organized on April 10, 1926, by a group of high school advisors, for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. It has active chapters in high schools in every state of the Union, and foreign countries. Through official publications of the Society, practical information concerning every phase of publication work is brought to editors, staffs, and advisors with and in view of raising, the quality of high school journalism.

The Society has always taken an active part in raising standards in the field of scholastic journalism. Quill and Scroll conducts a program of service and activities for member schools leading to the improvement of student publications.

Any high school—public, parochial or private—publishing a newspaper, a yearbook or a magazine may apply for a charter. Schools where students gather and write news under supervision for regular town or city papers, or prepare news for radio and television also are eligible for membership. High standards are rigidly maintained, making membership a coveted honor for the individual student. Membership in the Society may be obtained only through a local chapter.

DRIVERS EDUCATION

The automobile has become so vitally important in our daily lives that many people think of a car as being almost as important as food, clothing, and shelter. It is difficult to imagine that 75 years ago there was not a single automobile to be found. At the turn of the century it was considered a rich man's toy, and few people took it seriously. To think that today we have 100 million vehicles, about one for every two people, compared to a world ratio of one car for every 20 people. It is estimated that in 1975, the United States will have about 117 million motor vehicles. They will consume about 95 billion gallons of gas and travel about 1,2 trillion miles per year; this is a distance equal to more than 10 thousand round trips to the planet mars.

Along with this tremendous growth of the automobile industries comes this most important problem

which was created by the use of automobiles, and that is something that concerns all of us—**TRAFFIC ACCIDENTS.**

In the United States alone, more than 52,000 people are killed annually in traffic accidents and more than three million others are injured and disabled for life.

Unless we educate safer drivers, it is predicted that one out of every two children born today will be killed or injured in an automobile accident sometime during his or her lifetime. Through driver education, young drivers may learn to help prevent this prediction from becoming a fact. The traffic safety experts feel that the high schools afford the best place to reach the largest number of potential drivers.

Hi Mrs. Meyer,
It sure was fun
having you for a teacher
this year. I sure did get mad
when you wouldn't give me a
pass. But I always get over it. I want
to say thanks for all of the college information
that you gave me. Don't work too hard at the
clinic this summer. Al Wagner "70"

Hi Mrs.
Meyer
Typing sure
can be hectic
Sorry you
won't
be returning
Luck & love
Linda - Kee Stucky

Dear Mrs. Meyer,
I'm sorry I had you only
for one year. You're a very nice
teacher. I hope you find something
better. Have a very nice summer.
